Reports to: Regional Director of Women's Cricket
Location: Bristol, with extensive regional travel
Salary: Up to £33,000 (plus additional Welsh Fire remuneration)
Benefits: 23 days holiday, pension, laptop
Term: Fixed contract until 31st January 2023

Purpose of the Job:

Reporting to the Regional Director of Women's Cricket, the Physiotherapist will lead the physiotherapy provision and support to the Western Storm Squad, Welsh Fire Women and Western Storm Academy players. The post holder will work within a wider medical team including the Sports Doctor and Strength and Conditioning Coach. It is expected that the successful candidate will be seconded to Welsh Fire for the duration of The Hundred competition and a separate remuneration package exists for this.

1. Principle Responsibilities:

- Manage and develop the physiotherapy service provision, delivery and facilities for the Western Storm & the Western Storm Academy programmes in accordance with the details outlined in the Science & Medicine Review. This will include attendance and service provision at training sessions, home and away fixtures and overseas camps/tours.
- Work in conjunction with the Strength and Conditioning Coach to prepare the Western Storm and Western Storm Academy playing squad for domestic 50-over and T20 competitions.
- Work in conjunction with the Welsh Fire management team to provide physiotherapy services to the Welsh Fire squad during the Hundred competition.
- In collaboration with the Sports Medicine Doctor, ensure effective governance and processes underpin the department, including a clear wellbeing pathway and medical screening and profiling.
- Lead on preparation and delivery for the Regional Host's annual Science & Medicine Review to quality assure processes, resources and effectiveness of the department. Communicate key findings and actions of the Audit to the Regional Director of Women's Cricket.
- Support ongoing player monitoring with Science and Medicine and coaching staff, including workload management, and any other relevant physical and/or mental parameters.
- Ensure adherence to Covid-19 medical guidelines and regulations during training and competition.
- Communicate non-confidential headline availability and fitness status information with the Western Storm and Welsh Fire Head Coach.
- Ensure medical record-keeping standards are maintained at a satisfactory level as per Health Care Professional Council (HCPC) guidelines and are entered on to the ECB's Injury Management Database ('Cricket Squad').
- Liaise with the ECB's Science and Medicine team regarding support and management for England Women's Pathway players at Western Storm and Welsh Fire.
- Liaise with the relevant regional hosts and international cricket boards regarding players from outside of the Western Storm region who will be part of Welsh Fire.

- Ensure all physiotherapists employed/contracted to the team have a current qualification in a relevant Cricket Trauma Management course.
- Within the rules of professional confidentiality liaise with athletes, parents, coaches and other support staff as appropriate.
- Undertake appropriate professional development to keep abreast of world's best practice and current evidence-based research.

Note: The Job Description summarises the major role and responsibilities of the job. It is not intended to exclude the job holder being asked to undertake any other activities as required from time to time by the Regional Head Coach, nor future changes to the job holder's responsibilities. The precise duties and responsibilities of any job may be expected to change over time. Job holders will be consulted over any proposed changes to this job description before implementation.
